Stop tocht
Stop au courant d'air

Infographic showing energy savings from sealing drafts. It features a grid of icons representing different types of drafts and their corresponding energy savings percentages. The text 'Stop tocht' and 'Stop au courant d'air' is prominently displayed at the top.

A grid of circular energy-saving product packages, likely containing insulation or weatherstripping materials. Each package features a different color and design, and includes the Ellen logo. The packages are arranged in a grid pattern on a perforated metal background.

A vertical display of long, thin energy-saving products, possibly weatherstripping or insulation strips. Each product is packaged in a long, narrow sleeve with a colorful label. The products are arranged in a vertical row on a perforated metal background.

Brochures or informational cards placed on the base of the display. They feature colorful graphics and text, likely providing more details about the energy-saving products.
